

PRESS RELEASE

ONLINE COURSES BY BSNL

BSNL is launching a Pan India Online Certification Programme for students, people working in or seeking jobs in Telecom Sector or those people who are interested in getting to know the intricacies of this vital infrastructure sector buzzing with advanced technology. BSNL as a sole witness to the technological developments in the industry is in a unique position to properly guide the aspirants and bridge the gap between industry and academics.

In its latest endeavor , BSNL will be organizing 2 month i.e. 8 week online courses in different disciplines like IP, Networking and Cyber security, Mobile Communications, Broadband Technology, Optical Fibre systems, Digital Switching and Transmission Systems and Telecom support infrastructure. These courses are designed to meet the requirements and expectations of Industry. Participants will get exposure and deep insight of state of the art labs / live working equipment which is otherwise impossible. Course material is organized and structured with focus on practical learning. Hence, participants will be aware of real working knowledge of Technologies instead of pure theoretical knowledge. These courses include self study by the students along with week end class room / on-site hands-on practical training which is designed to involve the trainees in handling of the equipment. The week end practical session will be conducted on live equipment worth crores of rupees at Regional Telecom Training Centre, BSNL, Chennai Telephones, SIDCO Industrial Estate, Periyar Salai, Marai Malai Nagar and also at some major telecom hubs in Chennai City. Exams will be conducted during and at the end of the training programme and the students will be awarded certificates on successful completion of the training. Fee for the 2 month programme is Rs.5000/- plus taxes. As an inaugural offer, BSNL is offering 20% discount for the candidates of the first batch starting from 25th February, 2013. Details about this programme are available at www.learn telecom.bsnl.co.in Interested people may contact the Centre Co-ordinator, Shri K. Ulaganathan, D.E. RTTC, M.M. Nagar at 9445565791 or Course Co-ordinator numbers i.e., 9444400471 / 9444384040.

In today's industry scenario, where the industry captains are complaining about the fresh graduates being half baked products with massive disconnect with the requirements of the industry, this move will surely prepare the aspirants seeking entry into the Telecom Sector to confidently take up jobs in a lucrative industry. These courses will work as catalyst in their career.
